Loans II/49 (N)

649-B

Legal Department.

Paragraphs 4 and 5 of the Revenue Department note at page 5 ante.— The view taken by the Special Officer (P. & S.D.) is correct.

A notification in respect of those districts in which the merged States or any part thereof have been now included should be issued and the existing notifications in so far as they relate to such districts should be superseded. A revised draft notification is sent herewith. The Revenue Department should ~~now~~ complete the notification by filling the blanks by entering the names of relevant districts.

2. Under section 2 of the Bombay Non-Agriculturist's Loans Act, 1928, sections 1 and 2 have already been extended to the whole of the Presidency (including the partially excluded area) and the power is also given to the Provincial Government to extend the rest of the Act to any part of the Presidency. In virtue of this power it was competent for the Provincial Government to issue the notification No. 10517/39, dated the 3rd May 1945, extending the provisions of sections 3 to 6 of the Act to the partially excluded areas. The view taken in paragraph 6 of the Revenue Department is not correct. The question raised in the latter part of the said paragraph does not survive.
